

“Flavours of Mexico” comes to Astor Grill with Guest Chef Ana Martorell from 29 October – 4 November 2017

Doha, Qatar: 24 October, 2017 – Mexican guest chef, Ana Martorell, in collaboration with the Embassy of Mexico and sponsored by Qatar Airways, brings her culinary talents to Qatar, showcasing traditional Mexican cuisine in a unique culinary journey available only at Astor Grill, located on the first floor of The St. Regis Doha, from October 29 until November 4 2017.

Promising vivacious, colourful Mexican flavours, the exclusively curated menu by the St. Regis' Executive Chef, Joseph Murphy and guest Chef, Ana Martorell is available during this week for dinner at Astor Grill, alongside the regular menu featuring prime cuts and seafood prepared on the grill.

Guests wishing to experience this unique experience will be treated to four exquisite courses from the set menu; they will start the culinary experience with the delicious grilled Caesar salad, which was first created in Mexico, followed by noodles Tlayacapan style with the lamb shank filled tortilla 'inflata' for main course. To finish, guests will be treated to a mouth-watering molten chocolate delicacy cooked in a pure clay pot.

In addition to the set menu available at Astor Grill, The St. Regis Grand Brunch taking place on Friday November 3 will showcase Mexican influenced dishes also prepared by Chef Ana Martorell such as mushroom quesadillas, stuffed corn dough pastries, green enchiladas, enfrijoladas rosarito amongst others. With shaded tables displayed on the spacious outdoor terrace, overlooking the Olympic-size pool and the Arabian Gulf, music aficionados will enjoy live rhythms performed by the resident band of The Club and Latino tunes created by The Resident DJ to enhance the specialty Mexican theme.

Over the years, Chef Ana Martorell has specialized in catering contemporary cuisine for exclusive events across the globe. Her goal is to create unique culinary experiences by merging the culinary traditions of the different regions of the world with a unique touch of Mexican cuisine, turning them into authentic and modern creations.

“The collective goal is to captivate and surprise guests with original dishes that incorporate Mexican flavours with Arabic influences. The menu will showcase high quality, locally sourced ingredients and Mexican spices, a culinary fusion between the two cultures” said Chef Joseph Murphy.
