The Rooftop Re-Loaded – Doha’s favourite lounge reopens for the new season.

Doha, Qatar: October 7, 2017 – Doha’s favourite urban lounge, The Rooftop, located on the fourth floor of The St. Regis Doha, reopened their doors on Thursday 5th October with a sell-out event to kick off the new season of chic sophistication with special guest DJ Carmine Sorrentino flown in, for one night only, from Jimmy’s Monte Carlo.

The Rooftop Re-loaded event was a guest list only event with over 500 guests attending to experience the reopening of the popular lounge. The new concept of The Rooftop will provide guests with the perfect urban lounge located in a stylish outdoor terrace offering a unique mix of food, beverages and music, creating the only place for stylish people to get together!

The Rooftop promises to be the lounge of choice in Doha by providing different concepts throughout the week: The popular ladies night, ‘Lady Doha’ is back every Wednesday starting on September 11 where ladies are invited to collect their wristband before 11pm to enjoy unlimited beverages through the evening. For those looking to extend their brunch experience, Resident DJ Terio will make his comeback bringing back to life the classic age of the 80s, 90s and 00s for the best after-brunch in town Retrofusion. Finally, Saturdays will see the perfect weekend wind-down session with the return of the Aperı-Party and DJ Suisse, where guests can enjoy special beverage promotions from QAR30 each from 7pm.

Favourite DJs will return this season offering a selection of tunes. DJ Terio, who has been a resident DJ at The Rooftop since 2016, will return alongside DJ Amru, a regular fix in Doha’s nightlife. They will be joined by DJ Suisse, originally from the UK now a solid presence in Doha and DJ Roger with over 15 years’ experience behind the decks.

To complete the experience, The Rooftop will also be offering a food menu to include contemporary cuisine combining elements of different infusions and light bites.

Carlo Scavone, Manager at The Rooftop said “Newcomers and returning guests will be amazed by the 2017 Rooftop lounge concept, where they will re-discover the ultimate urban lounge in Doha with the best music, atmosphere and high-quality service designed by The St. Regis’ team.”

The Rooftop will be open from Wednesday to Saturday nights from 9pm with the exception of Friday where Retrofusion will open at 5pm. For more information about The Rooftop or to make a reservation, please contact the hotel directly on 4446 0105 or email doha.butler@stregis.com.
