THE St. REGIS DOHA INTRODUCES NEW FACIAL THERAPY

The legendary, five star Remede Spa, located at, The Finest Address in Qatar, has launched a new facial therapy called Silkpeel Dermalin Fusion. A treatment which moisturizes and improves the overall condition of the skin; giving it a healthy glow. Remede Spa is the 1st in Doha to offer the Diamond Youth Facial treatment that is proven to be unique for its great results prior to special occasions, such as weddings.

Through using a diamond-tip vacuum technology, the dull outer layers of the skin are lifted and exfoliated. Simultaneously, the new technology helps infuse a customized serum directly into the epidermis to plump up fine lines and minimize pigmentation and clarify pore congestion.

The Silkpeel Dermalinfusion treatment is proven effective to illuminate the skin, treat oily or acne prone skin. It also helps minimize the appearance of wrinkles and sun spots. The treatment results are immediately visible on the skin, giving it a smooth feel.

The rejuvenating treatment which endures 30 minutes is 1,020 Qatari Riyal. The Remede Spa is located at the Mezzanine Floor and is open daily from 09:00 a.m. – 10:00 p.m.

The Remede Spa in The St. Regis Doha offers twenty-two treatment rooms, male and female Jacuzzis, sauna, pre and post treatment lounges and showers.

For more information about The St. Regis Doha, or to make a reservation, please contact the hotel directly at telephone (974) 4446 0300, or via email at remedespadoha@stregis.com
